Proofreader Editor: *Batanova T.V.*

The collection considers the actual issues of development and implementation of regional social policy. The problems of regionalization of a social policy in Ukraine in the implementation of government reforms in decentralization of authorities sphere are investigated. Recommendations on the strategy of regional development are formulated.

The issue of cooperation between Ukraine and EU in the energy sector is investigated. Comparative analysis of the objectives and priorities of Association Agreement between Ukraine and EU, aims and activities of the Energy Strategy of Ukraine till 2030, is conducted.

The general trends of economic condition of the securities market in Ukraine are analyzed. A program of stock market of Ukraine for 2015–2017 years «European choice – new opportunities for progress and growth» is considered and the stock market in the region is characterized.

The collection contains the articles of our colleagues-economists from various scientific and educational institutions of Ukraine.

The author's views concerning certain positions do not necessarily agree with the views of editorial board.
